

PCI DSS v3.2.1

Certificate

OF COMPLIANCE

Level 1 Service Provider

QUALIFIED SECURITY
ASSESSOR

Awarded to

PARAKOLAY ELEKTRONİK PARA A.Ş.

This is to certify that Parakolay has been assessed by 24 Solutions Turkey and was found to be compliant with the requirements of the PCI DSS v.3.2.1

24 Solutions has issued this certificate to indicate that the aforementioned company's cardholder data environment has been assessed against the PCI DSS as of the date of validation below. This certificate is subject to validation condition as laid out within the PCI DSS Certification Program.

This certificate shall not warrant nor guarantee to any third party that the company's cardholder data environment is invulnerable to attack or compromise. Accordingly, in no event shall 24 Solutions Turkey be liable to any third party in the event of loss or damage caused by any failure or breach to the company's system or payment applications.

Issue Date: December 27, 2023

Valid Until: December 26, 2024

Dr. Emrah Elmas
Country Director, PCI QSA
